President of Riding For The Disabled Association

Chairman of The Hong Kong Jockey Club

We are immensely proud to be celebrating our 50th anniversary. Since 1975, the Riding for the Disabled Association (RDA) has provided a vital service in our society, sharing both the pleasures and benefits of riding with many thousands of differently abled adults and children.

What started with a few riders and helpers meeting once a week has evolved into an organisation delivering over 3,500-4,500 rehabilitative riding sessions a year. Benefits range from the physical to psychological, helping to give those who face so many challenges a feeling of independence and a sense of achievement.

All of this has been made possible by an outstanding team of staff and volunteers, past and present, who have worked tirelessly to improve our riders' quality of life and to make Hong Kong a more caring and inclusive society. For that we are eternally grateful.

Essential to RDA's success is The Hong Kong Jockey Club, which has been an ardent benefactor from the start. It has supported multiple projects, including the establishment of our home base at Pokfulam Public Riding School while also making facilities available at its other riding schools.

The Club continues to fund RDA's rehabilitative riding programme as well as its junior para equestrian development programme to nurture talent.

Testament to its success is that our riders have represented Hong Kong, China with honour at the past five Paralympic Games, raising our city's profile at the highest levels of equestrian sport.

Once again, I offer sincere thanks to the staff, volunteers and sponsors whose commitment has inspired and empowered so many. Together let's strive to achieve more milestones as we join together in celebrating our golden anniversary.

Mr. Thomas Yeung

Chairman of Riding For The Disabled Association

In 2025, we proudly celebrate 50 years of the Riding for the Disabled Association (RDA). Founded in 1975 by Lady MacLehose, RDA has remained steadfast in its mission to enhance the lives of individuals with disabilities through the power of rehabilitative riding therapy. Over the past five decades, we have witnessed countless inspiring stories of resilience, growth, and transformation.

RDA's success today is built upon the unwavering commitment of those who came before us. The solid foundation laid by our predecessors, along with the invaluable contributions of our founding partners. We would like to take this opportunity to express our deepest gratitude to The Hong Kong Jockey Club, Jardine Matheson Limited, Swire Pacific Limited, PricewaterhouseCoopers Limited, and The Hongkong and Shanghai Banking Corporation Limited, whose support has been instrumental in our journey.

Beyond our founding partners, RDA would not be where it is today without the generosity and dedication of so many individuals and organizations. We extend our sincere appreciation to our donors, supporters, and working partners, as well as our past and present Presidents, Chairmen, committee members, and staff, whose leadership and guidance have shaped our organization. A special thank you also goes to our riders and volunteers, whose passion and commitment bring our mission to life each and every day. And of course, none of this would be possible without our beloved ponies.

Looking ahead, we remain committed to expanding our reach, strengthening our programmes, and continuing to make a meaningful difference in the lives of those we serve. Each of you has played a vital role in shaping RDA into what it is today. This milestone belongs to all of us, and together, we look forward to celebrating many more achievements in the years to come. Here's to 50 years of dedication, impact, and success—and to an even brighter future ahead!

1975-

Milestone

2025

1975s

Founding and Beginnings

RDA was founded in 1975 by Lady MacLehose, wife of the then Governor of Hong Kong, Mrs. Binkie Leader and Mrs. Jill James. The first sessions took place at The Hong Kong Jockey Club's Riding School in Beas River. In the following years, RDA expanded operations to the HKJC Pokfulam Public Riding School, laying the foundation for therapeutic riding in Hong Kong.

Using two army mules, Jacob and Muffin, for our initial lessons at Beas River.

1980s

Growth and Community Support

RDA's operation started to flourish with the arrival of new ponies generously donated by corporations and charitable organizations. The number of riders and volunteers increased steadily, enabling RDA to offer regular therapeutic riding sessions and strengthening its role in the community.

First ponies donated to RDA by R.J. Reynolds Tobacco Co. at Pokfulam.

1990s

Expansion and Professional Development

RDA began operations at the HKJC Tuen Mun Public Riding School and introduced structured training and accreditation system for volunteers. Drawing from international standards in Australia and the UK, RDA also incorporated advice from physiotherapist from the UK into our therapeutic riding lessons.

RDA began operations at Tuen Mun.

RDA held its inaugural Asian Conference in 1992 to share insights on riding as a form of rehabilitative therapy.

RDA started professional development programme for our volunteers training to enhance our service quality.

Princess Royal Anne visited our Pokfulam centre in 1995.

2000s

From Rehabilitation to Sports

RDA expanded its service from pure therapeutic riding to also support the development of para equestrian sports. Hong Kong athletes began participating in international competitions, with the first rider representing Hong Kong at the 2008 Beijing Paralympic Games.

RDA launched its first research symposium in 2005, publishing the RDA Survey and Marketing Study to better understand the market needs from the disabled community in Hong Kong.

Princess Royal Anne visited our Tuen Mun Centre in 2008.

RDA held its second and third Asia Pacific Conference in 2005 and 2009.

First para equestrian athlete from RDA represented Hong Kong at the 2008 Beijing Paralympic Games.

2010s

Advancing Para Equestrian Sports

Building on our Paralympic success in 2008, RDA formed a Para Equestrian Squad, which made its debut at the Taiwan Hope Cup in 2010. To support athletes in achieving international qualifications, RDA hosted Hong Kong's first CPEDI3* Para Equestrian International Competition in 2011. Hong Kong para riders were proudly represented at the 2014 World Equestrian Games and three consecutive Paralympic Games from 2012 to 2020.

Embracing Equine Facilitated Learning and Use of Technology

The first riding simulator was donated by the Chow Tai Fook Charity Foundation and Operation Santa Claus, followed by two pony-sized riding simulators donated by Mr. Peter Cheng, Dr. Abbie Li, and Miss Antonia Cheng. These riding simulators enable new riders to safely begin their therapeutic riding journey while expanding RDA's service capacity.

2025

A Golden Milestone for RDA

In 2025, RDA celebrated its 50th anniversary with a cocktail ceremony and charity ball, honouring five decades of service bringing a smile to the faces of many children with physical challenges and special education needs with the support of our selfless volunteers.

Generation

Passing the Torch of Dedication

The legacy of RDA is deeply rooted in the spirit of selfless service, passed down from one generation to the next. Exemplifying this are families who have contributed across generations: Dr. K K Yeung, BBS, JP, former Chairman and current Honorary Member of RDA, whose son Mr. Thomas Yeung now serves as Chairman of RDA; Mr. Justin Kwok, Vice-Chairman of Rehab

Subcommittee, who continues the commitment of his father, Dr. Joseph Kwok, BBS, JP, PhD, RSW, former Voting Member; and Mr. Carlson Tong, GBS, JP, Voting Member, whose son Chi Tat began as a therapeutic rider and now serves as a volunteer. These individuals showcase how dedication to service can become a lasting family tradition.

Service Development

Steering RDA Through the Years

RDA's 50-year journey has not been without challenges. It is the unwavering dedication of its committee members, who contribute their time and expertise on a volunteer basis, that has guided

RDA through evolving times. Their vision, leadership, and resilience have been key to RDA's growth from a grassroots initiative to a structured and impactful charity.

Supporters

The Pillars Behind the Mission

Behind every successful charitable organization is a network of supporters. RDA is immensely grateful for the generosity of corporations, institutions, and individuals whose kind contributions have

been instrumental. Their belief in RDA's mission has allowed it to grow, evolve, and serve a wider community. RDA honors their support by continually striving to deliver quality service to those in need.

Beneficiaries

The Heart of the Mission

The true impact of RDA is best reflected through the voices of its beneficiaries. Over the years, riders, parents, and educators have shared how therapeutic riding has transformed lives. Their stories speak to the physical, emotional,

and developmental benefits of the programme and underscore the vital role RDA plays in improving the well-being of those it serves. Their testimonies are a powerful reminder of the importance of continuing this meaningful work.

Ms. Margaret Chung & Miss Isabella Nardone

BENEFICIARIES

Ms. Margaret Chung, a renowned artist in Hong Kong, is the proud mother of Isabella, one of our riders. Diagnosed with Wolf Hirschhorn Syndrome, Isabella began her journey with RDA's rehabilitative riding programme at the age of six. Margaret has been deeply moved by the joy Isabella experiences while riding and the extraordinary progress she has made in building her strength and endurance through horseback riding.

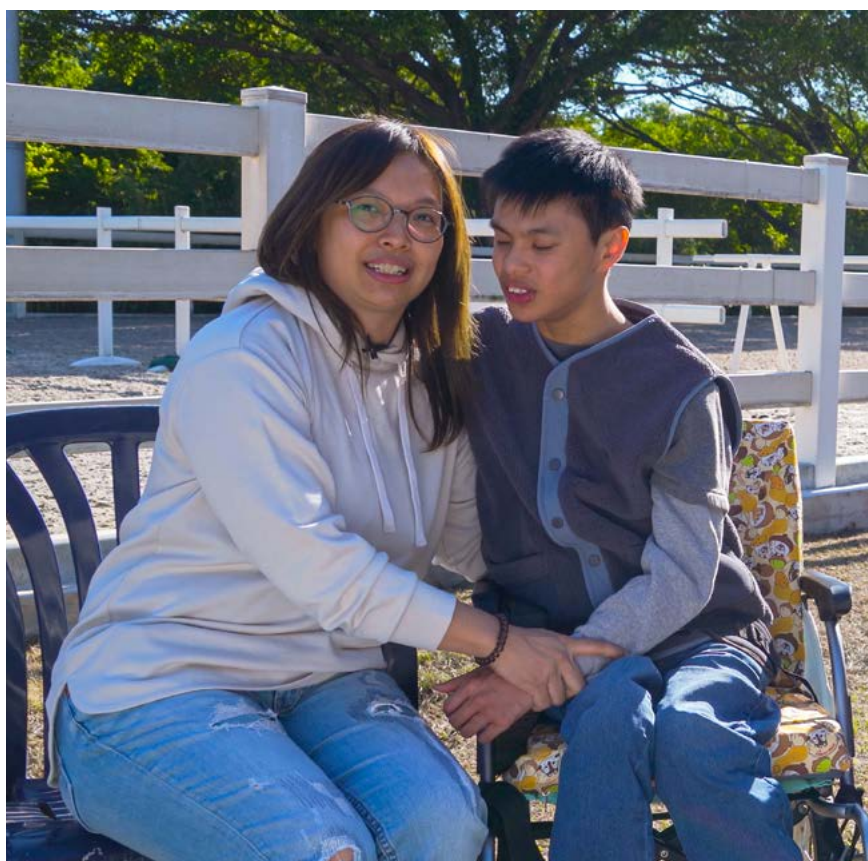

Margaret became our Ambassador in 2017, aiming at arousing public awareness about the benefits of therapeutic riding for children with disabilities.

Parents & Riders

Anthony & his mother

Anthony was diagnosed with CFC syndrome. His mom encouraged him to having riding lessons at RDA.

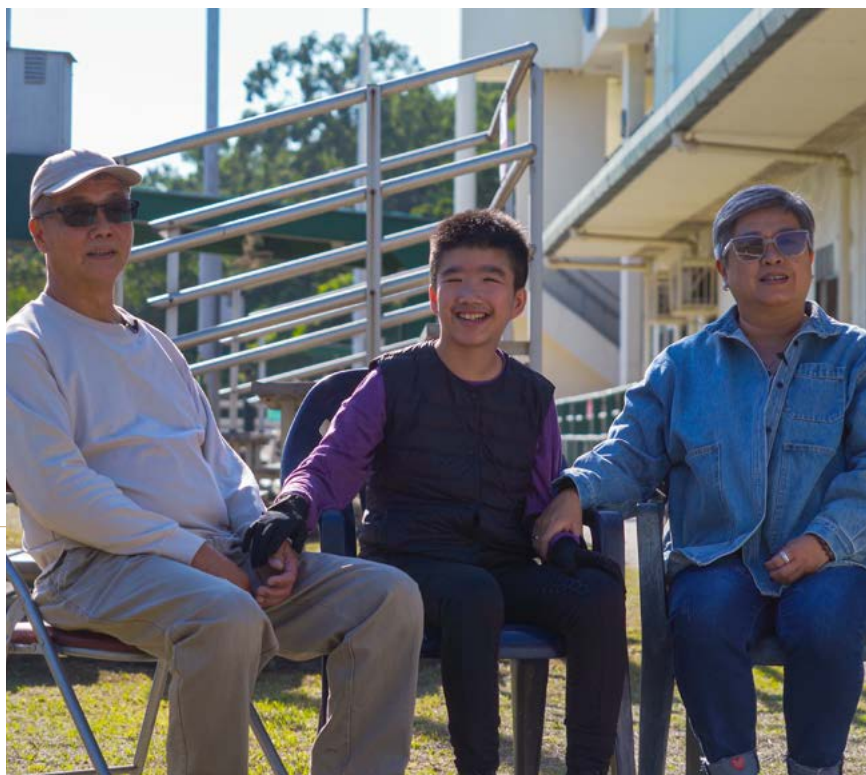

Leung Nok Shing & his mother

Nok Shing was diagnosed with spastic diplegia, visual impairment and moderate retardation. His mom is happy to see the positive impacts brought to his son through RDA riding lessons.

Leung Man Dik & his parents

Man Dik was diagnosed with developmental delay and he started to join RDA lesson in February 2017. His parents are grateful to see the improvements that Man Dik has made after having riding lessons at RDA.

Wong Ki Chung & his aunt

Ki Chung was diagnosed with spastic diplegic cerebral palsy and autism. He started to join RDA lesson in February 2023. His aunt noticed significant improvements in Ki Chung's overall well-being.

Elite Sports Riders & Para Development Squad

From Therapy to Sports

Therapeutic riding at RDA not only enhances physical and mental well-being but also opens the door to athletic achievement. Many young riders with disabilities have discovered their competitive

potential through RDA and progressed to elite training. These athletes are a testament to the programme's ability to empower and inspire, turning challenges into opportunities for excellence.

Interview Highlight

Ms. Natasha Tse

Natasha was born at twenty-nine weeks and diagnosed by her pediatrician with congenital cerebral palsy. Natasha experienced a turning point in her life when she joined RDA at the age of five. Eventually, Natasha became a member of the RDA Para Equestrian Squad. In 2012, Natasha was selected to represent Hong Kong as a Para Equestrian Athlete at the London Paralympic Games at the age of just fifteen years old. She subsequently competed in the 2016 Rio de Janeiro Paralympic Games, the 2020 Tokyo Paralympic Games and the 2024 Paris Paralympic Games, successfully completing the events.

Mr. Timothy Tsang

Timothy was diagnosed with cerebral palsy at a young age. In 2009, an education centre arranged for him to participate in RDA's therapeutic riding programme.

In 2011, Timothy became a member of the RDA Para Equestrian Squad and took part in his first international competition.

In recent years, Timothy has participated in many international competitions including the 2014 and 2018 World Equestrian Game held in France and the USA respectively, and the 2020 Tokyo Paralympic Games.

Ms. Fleur Schrader

Fleur was diagnosed with spina bifida when she was very young, and a few years later her family decided to enroll her into the therapeutic riding programme offered by RDA. Fleur started riding with RDA when she was only seven years old. She has gained many benefits from riding which has improved her physical strength, balance, and self-confidence.

In 2015, Fleur was selected as a member of the RDA Para Equestrian Squad, which led to her taking part in her first international competition in France during the same year. In recent years, Fleur has participated in the 2018 World Equestrian Games in the USA and the 2020 Tokyo Paralympic Games.

Mr. Louie Lam

Louie was diagnosed with hereditary spastic diplegia. He first joined RDA lesson in July 2015, then progressed to the RDA Para Development Squad.

Louie has been recently qualified as elite sports rider in July 2023.

Ms. Choi Hoi Lam

Hoi Lam was diagnosed with spastic diplegia and she joined the RDA Para Development Squad in February 2018.

Ms. Ai Lik Ka Tara

Tara was diagnosed with cerebral palsy and right hemiplegia. She joined the RDA Para Development Squad in February 2018.

Miss Dorothy Cheung

Dorothy was diagnosed with mild mixed cerebral palsy and mild dystonia. She first joined RDA lesson in March 2015 and progressed to the RDA Para Development Squad in February 2021.

Mr. Pang Chun Hei

Chun Hei was diagnosed with spastic diplegia and dyslexia. He joined the RDA Para Development Squad in February 2018.

Volunteers

The Lifeblood of RDA

Since its founding in 1975, RDA has been built on the dedication of volunteers. From its humble beginnings with a few helping hands to the large, committed team today, volunteers have always been central to RDA's success.

Coming from all walks of life, they share a common purpose: to give generously of their time and energy. RDA deeply values their contributions and hopes to welcome even more helping hands in the years to come.
